

SURFACE CARPET

- ❑ **Pleasant use**
 - Original esthetic with dynamic and contrasted colors that help to find the visual landmarks
 - A comfort ensured by the thickness and a high density thread
- ❑ **Optimum flat surface**
 - Most solidity generated by the introduction of a latex underlay avoiding distortions
 - A high quality guaranteeing longevity
- ❑ **No extra thickness or deviation**
 - A perfect homogeneity due to the connection with the hook and loop on lower side, extra fine high adherence of 100 mm
- ❑ **Removal of the rotation effect said Coriolis**
 - A stability guaranteed by a anti-rotation kit integrated
- ❑ **Complete security**
 - A fire classification M3 that meets existing regulations
