LOW BEAMS

- ❑ Specially designed for school PE and club practice.
- ❑ Perfect for taking first steps into gymnastics, this low level beam gives the gymnast confidence due to a low level of (40 cm).
- ❑ Its width is identical to that of the standard beams therefore providing a similar experience.
- ❑ Added security thanks to its anti-slip cover.
- ❑ Gymnastic equipment ideal for school gymnasiums quick and easy set up.
- ❑ Option to place safety mats underneath for extra confidence in training.
