

**SWIVEL PINS AXLES FOR RINGS FRAMES  
SPARE KIT M'15**

**3730/20**

KEEP THIS DOCUMENT

**Warning:**

This equipment should be installed by a qualified individual.

The apparatus should only be used by one person at a time, under the supervision of a qualified individual.

Using this equipment for purposes other than those originally intended is forbidden.

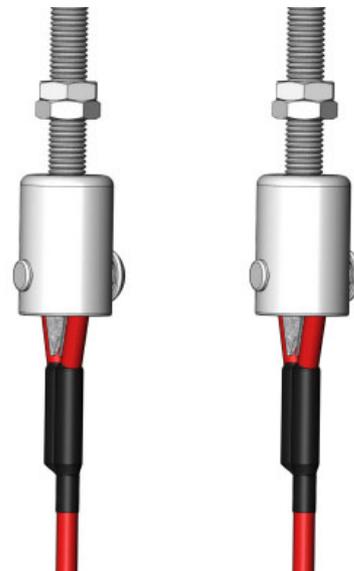

**Recommendations:**

As set out in French Standard NF S52-400 the following is recommended:

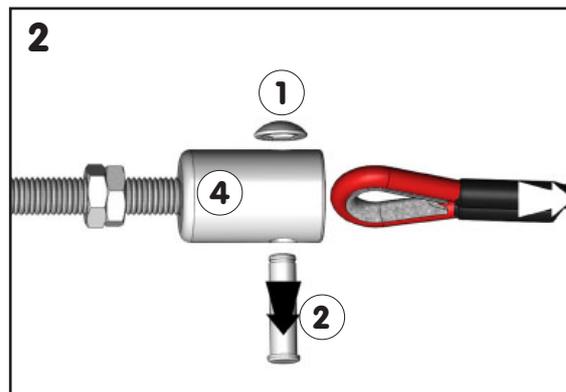

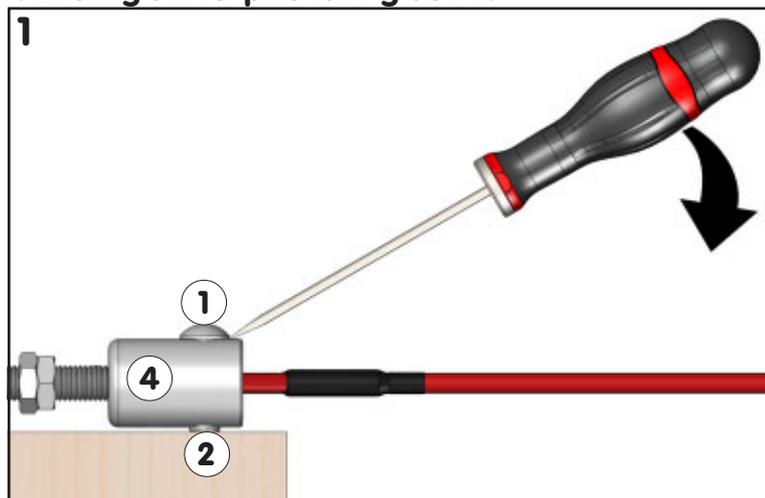

- keep these instructions for subsequent reference (inspection, maintenance, etc.).
- periodically carry out predictive maintenance.
- depending on how much it is used have the equipment serviced yearly or every few years.

**Package:**

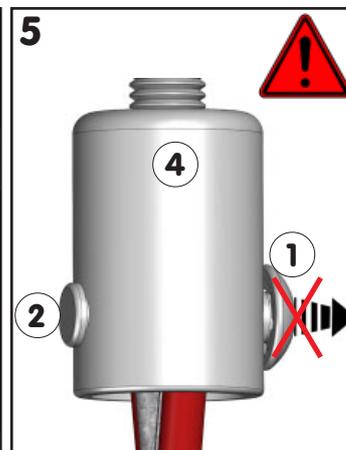

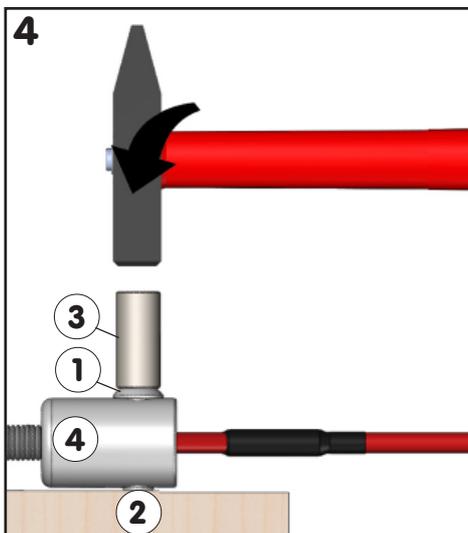

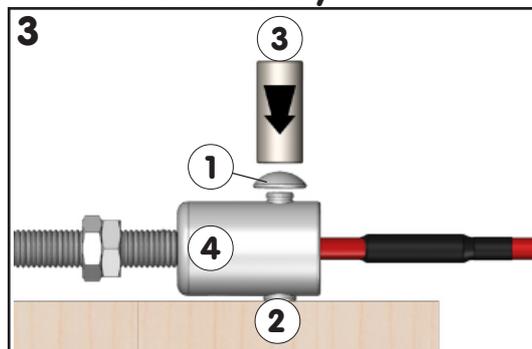

- 2 ø10mm Swivel pins axles (2).
- 2 ø10mm "Grifaxe" rounded stopping washers (1).
- 1 ø17mm "Tool" tube (3).

**I. Existing swivel pins taking down:**

**II. New axles assembly:**

**WARNING:** This **stopping washer (1)** is a **safety system**. It is **imperative** to take care that the washer is knocked enough, to **jam it in the slot all around the axle (2)**. Verify in this assembly configuration that :

- the **stopping washer (1)** is in contact **against the bell (4)**;
- and the **axle (2)** could not **get out**.
